

Serial No. .09/540,776

- 2 -

12304sh

3. The pet greeting card of claim 1, wherein at least one of the panels includes one or more cut-out regions.

4. The pet greeting card of claim 3, wherein the rawhide panels are rectangular.

5. The pet greeting card of claim 3, wherein the rawhide panels are substantially the same size.

6. A pet greeting card for a pet, comprising:
a front panel and a back panel, both formed of rawhide, each panel having a side edge;
a hinge joining the two panels at their side edges; and
one or more cut-outs through the front panel.

7. The pet greeting card of claim 6, wherein:
the side edge of each panel features a row of holes; and
the hinge is a strip of pet-edible material laced through the holes.

8. The pet greeting card of claim 7, wherein the strip of pet-edible material is rawhide.
